Wandleuchte Nupara anthrazit

Dimmable no

Our NUPARA also better known as the guardian. They defy every storm: outdoor lights with IP65 protection trace the contours of your residential or commercial building and provide comfort in the garden or support orientation in the dark. The solidly constructed NUPARA made of die-cast aluminum with anthracite powder coating meets the IP65 protection class and is ready for any weather. On our NUPARA we offer 3 years warranty on the function.
