Akku-Tischleuchte Nudiderot 425mm schneeweiß

Our Nudiderot is an Enlightenment tribute. The Age of Enlightenment is called "Enlightenment" in English: one can well imagine how Denis Diderot and other intellectual giants of the 18th century sat over their manuscripts in the light of their candlesticks, struggling for enlightenment. The Sigor Nudiderot is a homage to a form of lamp that enjoyed particular popularity during this period - and which then became established throughout the world in the early 18th century with the Empire style: the Bouillote lamp. With a slimmer shape, the Sigor Nudiderot presents itself at the height of our time. And so today, as then, clever minds are recognized not least by the lamp on their table.

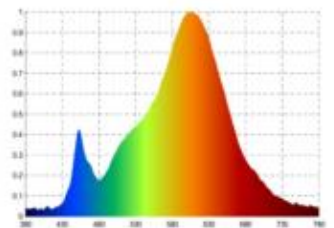

Dimmable: yes

Recommended dimmer: www.sigor.de/dimmerliste

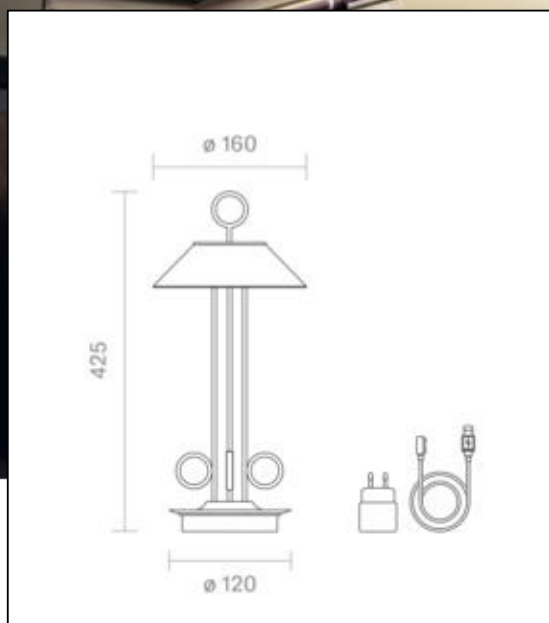

172 lm	luminous flux [lm]
2,20 Watt	rated power
2200/2700 K	colour temperature
Ra>85	colour rendering
<5 sdcms	colour consistency
45°	beam angle
schneeweiß	Colour housing
IP54	type of protection
-20° - 40°C	temperature range in operation
	power factor
3,7 V AC	voltage
Hz	operating frequency
1000 mA	current
3 kWh/1000h	energy consumption
<1.0 s	warm-up time up to 60% of the full light output
<0.5 s	starting time
Ø 54.000 h	nominal life time
L70B50	rated life time L70/B50
0.7	lumen maintenance factor at the end of the nominal life

Spectral power distribution
in the range 180 - 800 nm
