Einbauleuchte HALED 85mm alu gebürstet

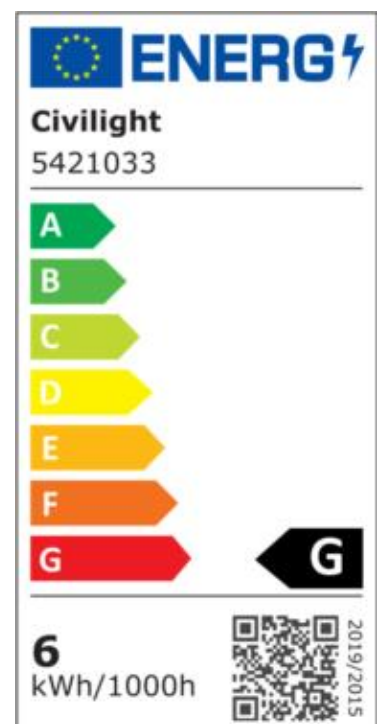

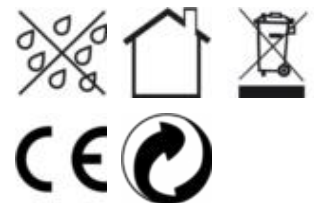

Our 6W **recessed downlight HALED** from Civilight is our premium downlight product. The unique reflector perfectly imitates that of a halogen variant. The reflector can be tilted up to 50°. Due to the high color rendering index, an almost daylight-like color rendering is guaranteed. The recessed downlight features Civilight's Dim-To-Warm technology. It features the lowering of the light color when dimming from 2,700K to 2,300K, just like a traditional incandescent lamp. The recessed luminaire is equipped with the latest LED technology and thus has high dimmer compatibility. The power supply is provided by an integrated driver. Especially important in the object: we offer 3-year warranty and vouch for the high-quality workmanship and durability. If you would like to know with which dimmers this product is compatible, please follow the link to the test results from our own workshop.

Dimmable:

Recommended dimmer: www.sigor.de/dimmerliste

400 lm	luminous flux [lm]
6,00 Watt	rated power
2700-2300 K	colour temperature
Ra>90	colour rendering
5 sdcm	colour consistency
36°	beam angle
Alu gebürstet	Colour housing
IP20	type of protection
-20° - 40°C	temperature range in operation
0.8	power factor
230 V AC	voltage
50/60 Hz	operating frequency
30 mA	current
6 kWh/1000	energy consumption
<1.0 s	warm-up time up to 60% of the full light output
<0.5 s	starting time
Ø 25.000 h	nominal life time
L70B50	rated life time L70/B50
0.7	lumen maintenance factor at the end of the nominal life
