Einbauleuchte Diled 6W 380lm 3000K

Dimmable: yes

Our 6W **Diled Downlight** is the successor of the successful Haled series from Sigor. The unique reflector perfectly imitates that of a halogen variant. The reflector can be tilted up to 50°. Due to the high color rendering index, an almost daylight-like color rendering is guaranteed. The recessed downlight has a brilliant light color of 3,000K and makes everything shine in a beautiful light. The recessed luminaire is equipped with the latest LED technology and thus has a high dimmer compatibility. The power supply is provided by an integrated driver. Especially important in the object: we offer 3-year warranty and vouch for the high-quality workmanship and durability.
