Einbauleuchte Diled 10W 640lm 2700K dim

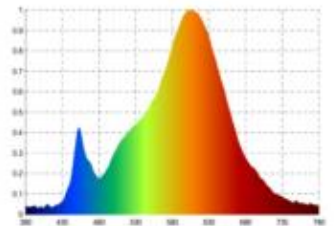

Dimmable yes

Our 10W **Diled Downlight** is the successor of the successful Haled series from Sigor. The unique reflector perfectly imitates that of a halogen version. The reflector can be tilted up to 50°. The high colour rendering index guarantees a colour rendering that is almost similar to daylight. The recessed downlight has a brilliant light colour of 3,000K and makes everything shine in a beautiful light. The recessed luminaire is equipped with the latest LED technology and is therefore highly compatible with dimmers. Power is supplied via an integrated driver. Particularly important in the property: we offer a 3-year guarantee and vouch for the high-quality workmanship and durability.
