Einbauleuchte 68 Diled Eckig 6W 370lm 2700K

Our 6W Downlights 68 Diled are characterized by a compact design with an ultra-flat installation depth of 32mm and direct connection to 230 V. Visually, they are almost indistinguishable from a halogen lamp. Thanks to the radiation via the reflector, the light is completely glare-free. The recessed downlight has a brilliant light color of 2,700K and lets everything shine in a beautiful light. Our Diled sets the tone in a white die-cast housing. The recessed luminaire is equipped with the latest LED technology and is therefore highly dimmer-compatible. Power is supplied via an integrated driver.

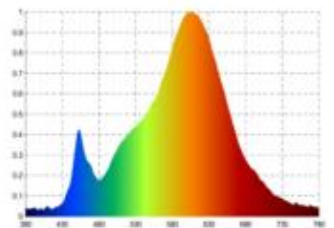

Dimmable yes

Recommended dimmer: www.sigor.de/dimmerliste

370 lm	luminous flux [lm]
6,00 Watt	rated power
2700 K	colour temperature
Ra>95	colour rendering
<5 sdcms	colour consistency
36°	beam angle
weiss	Colour housing
IP20	type of protection
-20° - 40°C	temperature range in operation
0.9	power factor
230 V AC	voltage
50/60 Hz	operating frequency
28 mA	current
6 kWh/1000h	energy consumption
<1,0 s	warm-up time up to 60% of the full light output
<0,5 s	starting time
Ø 50.000 h	nominal life time
L80B10	rated life time L70/B50
0.8	lumen maintenance factor at the end of the nominal life

Spectral power distribution
in the range 180 - 800 nm
