Einbauleuchte ARGENT 80mm weiss

Dimmable: yes

Our 6W **recessed downlight Argent** is a swiveling downlight with IP44 protection. Its place of use is outdoors, where it can set the scene for any illuminated object with its excellent color rendering of RA=93. The ARGENT can be tilted up to 30° and has a visually appealing 36° lens. Power is supplied via an external driver which is included in the scope of delivery. Especially important in the object: we offer 3 years warranty and vouch for the high quality workmanship and durability. If you would like to know with which dimmers this product is compatible, please follow the link to the test results from our own workshop.
