## Einbauleuchte HALED 68mm alu gebürstet

Our 4W **recessed downlight HALED** of Civilight is our premium product in the field of downlights. It is an ultra-flat furniture installation module with only 24 mm installation depth. The unique reflector perfectly imitates that of a halogen variant. The high color rendering index guarantees a color rendering almost similar to daylight. It is equipped with the latest LED technology. The power supply is provided by an integrated driver. Especially important in the object: we offer 3-year warranty and vouch for the high-quality workmanship and durability.
