3,5W R50 Ecolux E14 230lm 2700K dim

Honey, salt and discontinued light sources have one thing in common: they don't go bad. Often it's small changes to the design or lumen package, or even just a switch to a different production center, that causes a bulb, fixture, or the like to no longer be carried over into a new product line. But that doesn't make them bad. For foxes, who are on the thing after a good bargain, offers our Abverkaufsware neat fodder - and without risk, because our guarantee applies to this just as for current catalog goods!

Dimmable: yes

Recommended dimmer: www.sigor.de/dimmerliste

230 lm	luminous flux [lm]
3,50 Watt	rated power
40 Watt	equivalent incandescent lighting
2700 K	colour temperature
Ra>80	colour rendering
sdcm	colour consistency
36°	beam angle
E14	base
R50	outer bulb
KLAR	type of glass
84 mm	length
50 mm	diameter
IP20	type of protection
° - °C	temperature range in operation
	power factor
230 V AC	voltage
Hz	operating frequency
20 mA	current
4 kWh/1000	energy consumption
<1 s	warm-up time up to 60% of the full light output
<0.5 s	starting time
Ø 15.000 h	nominal life time
	rated life time L70/B50
	lumen maintenance factor at the end of the nominal life

as of: 01.02.2022
