1,5W Birnform Ecolux opal E14 144Im 2700K

A † G

Our 1.5W Ecolux Birnform is due to your small dimensions perfectly suited for use in confined spaces. It is equipped with the latest LED technology and thus has a long service life.

The low power consumption of the LED is confirmed by the good energy efficiency class. The illuminant has an opalized glass for shadow-free illumination. The lumen package of our Ecolux can be compared with a 15W conventional incandescent lamp.
