7W Linienlampe Glas opal S14s 500mm 570lm 2700K

Our 7W **STABLAMPEN OPAL** is the perfect replacement for the classic Linestra linear lamp. The light source is equipped with the latest LED technology and therefore has a long service life.

In addition, the use of this technology guarantees flicker-free operation. The light source has an opalized glass for shadow-free illumination. The low power consumption of the LED is confirmed by the good energy efficiency class. The lumen package of our STABLAMES can be compared with a 50W conventional Linestra.

Dimmable: yes

Recommended dimmer: www.sigor.de/dimmerliste

570 lm	luminous flux [lm]
7,00 Watt	rated power
50 Watt	equivalent incandescent lighting
2700 K	colour temperature
Ra>90	colour rendering
6 sdcm	colour consistency
360°	beam angle
S14d	base
L-DE	outer bulb
opal	type of glass
0 mm	length
30 mm	diameter
IP20	type of protection
-20° - 40°C	temperature range in operation
0.7	power factor
230 V AC	voltage
50/60 Hz	operating frequency
28 mA	current
7 kWh/1000h	energy consumption
0 s	warm-up time up to 60% of the full light output
0 s	starting time
Ø 15.000 h	nominal life time
	rated life time L70/B50
	lumen maintenance factor at the end of the nominal life

Spectral power distribution
in the range 180 - 800 nm
