4W Linienlampe Glas Klar S14d 300mm 280lm 2200K

Our 4 W **LINE LAMP GLASS CLEAR** is the perfect replacement for the classic line lamp. The illuminant is equipped with the latest LED technology and thus has a long service life.

Furthermore, the use of the technology guarantees a flicker-free operation. The illuminant has a crystal clear glass for shadow-free illumination. The low power consumption of the LED is confirmed by the good energy efficiency class. The lumen package of our LINE LAMPS can be compared with a 30 W conventional line lamp.

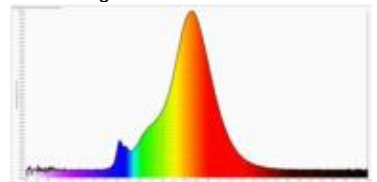

Dimmable: yes

Recommended dimmer: www.sigor.de/dimmerliste

280 lm	luminous flux [lm]
4,00 Watt	rated power
30 Watt	equivalent incandescent lighting
2200 K	colour temperature
Ra>90	colour rendering
sdcm	colour consistency
°	beam angle
S14d	base
L-DE	outer bulb
	type of glass
300 mm	length
30 mm	diameter
IP20	type of protection
-20° - 40°C	temperature range in operation
	power factor
230 V AC	voltage
Hz	operating frequency
mA	current
kWh/1000h	energy consumption
s	warm-up time up to 60% of the full light output
s	starting time
Ø 15.000 h	nominal life time
	rated life time L70/B50
	lumen maintenance factor at the end of the nominal life

Spectral power distribution
in the range 180 - 800 nm
