8W Giant TEAR titan E27 300lm 2200K dim

Dimmable: yes

Our Giant lamps **TEAR** in gold is the design highlight among the decorative illuminants. The unusual bulb shape with filament optics gives this illuminant a first-class look. It is equipped with the latest 5th generation filament technology and thus has a high dimmer compatibility. Its color rendering with an RA value of 90 makes everything shine true to color.
