**7W SLIM Rustika Filament gold E27 640lm 2500K**

Dimmable: yes

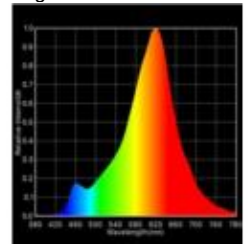

Our 7W **Filament SLIM Spiral Rustic Lamp** is characterized by its unique appearance. The ultra thin coiled filaments make the illuminant a work of art. The vertical orientation of the LED gives the illuminant a look like 100 years ago. In addition, the very warm light color of 2,500K creates a cozy ambience.

It is equipped with the latest LED technology and thus has a high dimmer compatibility. The low power consumption of filament is confirmed by the good energy efficiency class. The lumen package of our Filament can be compared with a 50W conventional incandescent lamp.
