### 4,5W Rustika Filament gold E27 420lm 2500K dim

Dimmable: yes

Our 4.5W Filament Rustic Lamp is the optimal replacement for traditional incandescent lamps due to its classic look. The well-known Edison bulb is equipped with the latest LED technology and thus has a high dimmer compatibility. The long filaments provide a true-to-the-original look. Their color rendering with an RA value of 90 makes everything shine true to color. The bulb has a golden coating that colors the light in 2,500K and creates an atmospheric ambiance. The low power consumption of the filament is confirmed by the good energy efficiency class.
